

Western Washington Area Health Education Center CONTINUING EDUCATION CALENDAR

WORKSHOPS - SEMINARS - MEETINGS

Summer 2006

Western Washington AHEC prepares a Continuing Education Calendar every month, publishing it in pdf format at www.wwahec.org/WWAHEC_continuing_ed.htm. Each calendar contains at least three months of events, and is updated on-line on or about the first of every month. Event notices received on or after the first of the month are not guaranteed to be included in that month's calendar. Additional resources for statewide CE information are the University of Washington Telehealth Network at <http://depts.washington.edu/uwths/home/>, Eastern Washington AHEC at http://www.ahec.spokane.wsu.edu/cont_education.asp, and the calendar at Inland Northwest Health Services' Northwest Telehealth site, <http://www.inhs.info/telehealth/default.aspx>.
